

High Quality Laundry Equipment

Flatwork ironer

Ecorol 600 L + 600 S - Industrial machines

Description:

Roller/Hollow:

In order to achieve durable stability the rollers are provided with precise turned back-up ring. All standard lifespan wrapping can be applied. The hollow consist of a planed, whetted and high gloss polished high-grade boiler plate. Drive: The system is driven by a frequency regulated three-phase motor; the speed can stepwise be adjusted.

Technical data:

Roller diameter: 600 mm
Ironing distance under contact pressure: 870 mm

Ecorol 600 L

Compact Ironer 600 L

Common features:

Trough system made of high-grade steel, lack tray made of high-grade steel, laundry stripper, lack cover, transparent finger protection strip, intake belts, largely dimensioned exhaust air fan, stepless regulation of contact pressure
Heating type: electric, HD steam, thermal oil

Working widths: 1750 mm, 2100 mm, 2500 mm
HD steam heating up to 12 bar
Steam consumption: 50 - 65 - 80 kg/h
Old heating: electrical
Working width 1750 mm: 31 KW
Working width 2100 mm: 38 KW
Working width 2500 mm: 45 KW
Speed: 1-6 m/Min
Drive and exhaust: 2,25 KW
Total width: working width + 720 mm

Ecorol 600 S

Compact Ironer 600 S

Modular design

Common features: Adjustable input bag, lack tray, laundry stripper, lack cover, transparent finger protection strip, intake belts, largely dimensioned exhaust air fan, stepless regulation of contact pressure
Heating type: electric, HD steam, thermal oil

Working widths: 1750 mm, 2100 mm, 2500 mm, 2700 mm, 3000 mm
HD steam heating up to 16 bar
Steam consumption: 60 - 100 kg/h
Old heating: electrical
Working width 1750 mm: 38 KW
Working width 2100 mm: 54 KW
Working width 2500 mm: 54 KW
Working width 2700 mm: 63 KW
Working width 3000 mm: 72 KW
Speed: 1-7,5 m/Min
Drive and exhaust: 3,0 KW
Total width: working width + 640 mm

Elektrische Beheizung über Thermo-Öl und Umwälzpumpe für gleichmäßige Wärmeverteilung in der Mulde.

Winding recommendation:

Surface feather/spring with polyester aristocracy felt or Nomex//Aramid
